## Wastewater Line Installation

### Background

On April 9, 2014, the United States District Court for the Southern District of Florida authorized a Consent Decree between Miami-Dade County, the United States of America, the State of Florida, and the Florida Department of Environmental Protection, for improvements to the County's wastewater collection system. The Consent Decree requires a number of operational and maintenance improvements to Miami-Dade's water and sewer system. The rehabilitation of wastewater lines for Consent Decree Project 4.9 (25-26) is part of this program.

### Projected Schedule

Construction will begin in December 2016, with an expected duration of seven (7) months.

## Project at a Glance

Project Number 4.9 (25-26)

Improvements include:

- Installation of 12-inch wastewater line from NW 173<sup>rd</sup> Drive to NW 177<sup>th</sup> Street along NW 52<sup>nd</sup> Avenue.
- NW 52 Avenue will only be open to local traffic between 9:00 AM and 4:00 PM, Monday-Friday.

QUALITY. VALUE. ECONOMIC GROWTH.
